This leaves 26-23 of Inam land for the benefit of the temple - The present proposal is to acquire 3 acres out of S. The necessity for this acquisition is not clear since the temple continues to have 26-23 a Inam. A reduction of 3/4 acre cannot materially affect the Situation. Perhaps it would be best to keep the Compensation Amount in S.B. deposit for the benefit of the temple and allow the interest to accumulate for being utilised for
